

10X Blocking Buffer ab126587

18 References 画像数 1

製品の概要

製品名	10X Blocking Buffer
アプリケーション	<b>適用あり:</b> WB, ELISA, In-Cell ELISA, ICC/IF <b>適用なし:</b> Flow Cyt
特記事項	Protein blocking buffer (pH 7.5) (ab126587) for serum-free blocking of non-specific antibody binding in ICC, ELISA and western blot. BSA-free  <b>Preparation:</b> Dilute to 1X in deionized water or PBS (e.g. 1mL 10X blocking buffer + 9mL water/PBS). Diluting in PBS instead of water makes a somewhat more stringent blocking buffer due to the presence of salt in the PBS. Blocking Buffer is pH 7.5. The user should determine empirically whether dilution in water or PBS is most appropriate for the assay at hand. Use diluted block solution promptly.

製品の特性

製品の状態	Liquid
保存方法	Shipped at 4°C. Store at Room Temperature. The product can be stored for up to 12 months.
バッファー	Constituent: 100% Casein Blocking Buffer 10x

アプリケーション

The Abpromise guarantee      **Abpromise保証は、**次のテスト済みアプリケーションにおけるab126587の使用に適用されます  
アプリケーションノートには、推奨の開始希釈率がありますが、適切な希釈率につきましてはご検討ください。

アプリケーション	Abreviews	特記事項
WB		Use at an assay dependent concentration.
ELISA		Use at an assay dependent concentration.
In-Cell ELISA		Use at an assay dependent concentration.
ICC/IF		Use at an assay dependent concentration.

追加情報      Is unsuitable for Flow Cyt.

Primary :

All Lanes : top membranes with Anti AMPK pThr172 + Thr183 ([ab133448](#)) at 1/1000. Bottom membranes with Anti AMPKα ([ab110036](#)) at 1/1000

Lane 1 = AMPKα1 protein

Lane 2 = C2C12 cells treated with AICAR

Lane 3 = untreated C2C12 cells

Secondary: Goat polyclonal to Rabbit IgG – H&L – Pre-Adsorbed (HRP) and Goat polyclonal to Mouse IgG – H&L – Pre-Adsorbed (HRP) at 1:10,000 developed using the ECL technique.

Performed under reducing conditions (50mM DTT – Sample heated at 60°C). Predicted band size for AMPKα: 64 kDa Observed band size for AMPKα: 64 kDa

Left membrane All blocking steps = 1X blocking reagent ab126587 diluted in PBST

Right membrane All blocking steps = 5% Milk in PBST Exposure time : 5 minutes

### **Our Abpromise to you: Quality guaranteed and expert technical support**

---

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <https://www.abcam.co.jp/abpromise> or contact our technical team.

### **Terms and conditions**

---

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
